

Preliminary Course Listing for UMMS On-Line CME Calendar

At your request, OCPD will list basic information regarding your activity on the UMMS central on-line CME calendar prior to designation of CME credit at <http://cme.med.umich.edu/calendar/>. This listing functions as a "save the date" notice so that potential participants can identify the planned date(s), location, and other preliminary information ahead of the brochure or other advertising efforts.

If you'd like to have this preliminary information listed on the website, please fill out this form and return it to the address below.
